

ALPHABETICAL INDEX

FOR

VOLUME III

MINING CONGRESS JOURNAL

A		Brunton, D. W. (cut).....	423
Accident record.....	138	Buckley, Dr. E. R. (cut).....	421
statistics.....	49	Bureau of Mines at American Min-	
in 1915.....	40	ing Congress.....	16
Acid production.....	256	Achievements of year.....	17
Adamson law.....	124	Nitrogen work.....	20
Alaska.....	166	Metalliferous work.....	23
Conservation in.....	58	Proposed transfer of.....	53
Roads.....	60	Branches of.....	67
Production for 1916.....	30	Norton station.....	78
Alaskan coal.....	264	Burgess, G. K., returns from France.	332
Aluminum.....	139	Burns, John T. (cut).....	439
American Mining Congress.....	421	Buyers' directory.....	2f
	440, 447, 453		
Ammonia, production of.....	63	C	
Annual assessment bill.....	355	California industrial commission.....	113
Antimony.....	390	minerals.....	260
refiners of.....	62	oil report.....	174
Arbitration.....	141	production for 1916.....	33
Arizona chapter.....	170	Callbreath, James F. (cut).....	427
Arizona, history of mining.....	77	Canadian Mining Institute.....	129
production in 1916.....	22	Car economy.....	251
Armour plate plant.....	101, 122, 153	service.....	204
Arsenic.....	390, 443	shortage.....	27
Asbestos.....	202	situation improves.....	314
Ashley, G. H., goes to Vanderbilt....	14	Carranza, decree.....	127
Ashurst, Senator (speech).....	331	Cartoon.....	266
Assessment liability.....	160	Cement shipments in 1916.....	26
work.....	193	Central American oil work.....	122
Assignments charged.....	390	Ceramics industry gets station.....	314
Attorney General's opinion.....	347	Chamber of Commerce work.....	467
B		Chemical committee.....	207
Baker, Ray T. (cut).....	454	Chromic iron ore.....	243
Ball, Max W., requests hearing.....	334	Clay, Kentucky disaster.....	325
Barneson, John (cut).....	427	Clevenger, G. H. (cut).....	240
Bastin, E. S.....	370	Coal, Anthracite committee.....	314
Bauxite, independent buyers of.....	33	Anthracite prices.....	307
Beal, Carl H.....	176	production.....	338
Big Creek Mining Company (cut)....	361	Less smokeless for Chicago.....	233
Bills in Congress.....	265	Price-fixing conference.....	234
Bisbee deportations.....	434	Federal trade report.....	237
and the I. W. W.....	266	pooling of anthracite.....	239
Bismuth.....	390	lake cargo rate.....	241
Black, Paul S.....	323	anthracite haulage.....	242
Bliss, Miss Eleanor (cut).....	159	waste of.....	248
Boalich, Edwin I. (cut).....	274	labor men added to committee.....	249
Box car unloaders.....	266	tentative price for Navy.....	256
Braden copper mine.....	370	tidewater exchange.....	259
		reports of production.....	259

smokeless operators meet.....	267	price increase.....	390
weekly statement.....	268, 278	price schedule advanced.....	379
rates to Central Freight Association		priority order suspended.....	401
territory.....	274	railroad fuel.....	387
Government pool.....	276	shortage of.....	403
car situation.....	278	Snider, G. M.....	386
Northwestern supply.....	279	State Fuel Administrators.....	384, 394
overloading cars.....	279	traffic manager named.....	386
apportioning of.....	281	wage scale agreement.....	387
production increases.....	282	anthracite price increased.....	428
box car unloaders.....	266	Blauvelt coke director.....	450
distribution of anthracite.....	187	Canadian supplies.....	439
uniform price.....	187	car shortage.....	462, 464
public a factor.....	188	association statement.....	456
lake pooling agreement.....	194	conservation.....	440, 456, 457, 464
speculator scored.....	195	appeals to associations.....	356
panic prices.....	199	August shipments.....	361
miners' enlistments.....	207	Federal Trade Commission asks for	
price fixing.....	208	data.....	361
Washington yard.....	152	fuel administration.....	349
Crows' nest samples.....	152	Garfield's rulings.....	350
new mines.....	156	licenses for exports.....	368
reorganize fuel department.....	158	National Coal Association.....	370
fuel situation.....	161	Nims, Harry D.....	354
Big Muddy case.....	162	Peale, Rembrandt.....	365
Call for statistics.....	165	price fixed.....	348
experimental mine.....	166	retail regulation.....	350
in northwest.....	168	Snead, L. A.....	348
new map.....	174	Spot regulation.....	351
accomplishes more.....	389	White, John P. (biography).....	353
anthracite operators.....	406	conservation of.....	443
prices.....	393	dock prices.....	465
shipments.....	393	El Paso prices.....	452
representative.....	390	essential industries.....	430
railroads.....	380	Hinckley, B. G.....	463
Baird, F. C.....	388	Illinois agreement.....	456
Canadian arrangement.....	388, 405	Iowa scale.....	442
central competitive field.....	387	Jellico increase.....	429
Chicago receipts.....	404	labor safeguards.....	461
cleaning plants.....	378	lake priority.....	455
production.....	386, 392, 401	Michigan situation.....	464
competitive field agreement.....	387	more coal for east.....	464
consumers' part.....	394	New Mexico prices.....	458, 465
conservation.....	393	non-essential industries.....	463
demand unprecedented.....	382	Oklahoma situation.....	455
distribution.....	399	penalty clause.....	420, 454, 455, 461
Fairmount prices.....	402	prices "Subject to Revision".....	431
forty-five cent increase.....	379	priority.....	453
fuel conservation.....	393	production.....	460, 463
fuel administration statistics.....	382	railroad fuel.....	458
Garfield on strikes.....	405	smokeless prices.....	469
Governor: see Garfield.....	383	southwest accepts penalty.....	433
growth of industry.....	393	Tidewater exchange.....	465
Jellicoe wage dispute.....	385, 386, 394, 402	Utah administrator.....	462
jobbers' commission.....	401	chapter.....	451
labor shortage.....	406	wage agreement.....	436
Leahey, A. S.....	390	wood as fuel.....	469
Leavenworth prices.....	405	detailed statement.....	97
Michigan schedule.....	399	fatality rate.....	112
mine air.....	404	inspections.....	112
more coal burned.....	404	January tonnage.....	99
National Coal Association.....	402, 403	new production.....	93
New Mexico prices.....	401	variation in statistics.....	93
Norfolk pier.....	385	railroad classification.....	91
open-top car order.....	380	refuses to halt suit.....	88
Peale, Rembrandt.....	389	Safety service.....	100
Pennsylvania Railroad Coal.....	387	Franklin County Association.....	49

Anthracite prosperity.....	49	Douglas, Walter (cut).....	424
bureau.....	57	Du Pont, buy new factory.....	135
rates.....	57, 64	Duschak, L. H. (cut).....	366
situation misjudged.....	59	Dynamite.....	392
Kentucky production.....	62		
Crow's Nest mines.....	63	E	
storage of.....	65	Editorials, a national problem.....	45
in bituminous field.....	65	The dominant political factor.....	46
purchases of.....	122	Economy in paper.....	46
trade commission action.....	125	F. G. Cottrell.....	47
anthracite region map.....	128	Government confiscation.....	47
shipments decrease.....	137	Government printing.....	48
rock dusting.....	146	A menace to government.....	48
anthracite shipments.....	146	A courageous example.....	48
trade associations.....	10	Editorial.....	339
First aid.....	10	Announcement.....	339
competition.....	16	Annual assessment bill.....	339
report delayed.....	26	Loyalty and the closed shop.....	340
institute meeting.....	31	Government control of business	
prevention of explosion.....	41	combinations.....	340
production in 1916.....	41	The fuel administration.....	341
cost of production.....	43	The coal supply.....	341
land leasing.....	8	Responsibility for coal shortage.....	342
operators, number of.....	338	Lever bill and coal prices.....	343
shipments.....	338	Coal cooperation after the war.....	344
Coghill, Will H. (cut).....	175	Price fixing.....	344
Coke bulletin valuable.....	91	Industrial disputes investigation.....	345
by-product.....	49	The farmer and the miner.....	345
figures.....	328	The Republic as a war machine.....	346
record for 1916.....	9	Colorado industrial disputes inves-	
report out.....	44	tigation act.....	81
production.....	386, 388	May be issue soon.....	81
prices.....	462	Step toward industrial peace.....	81
price fixed.....	352	Cooperation the keynote.....	81
Colombian taxes high.....	98	Investigation of industrial disputes.....	81
Colorado chapter.....	432	Failure of leasing system.....	81
new research.....	75	Upto the administration.....	81
oil.....	243	The way to resume.....	81
production in 1916.....	24	Another labor war threatened.....	81
Committee on coal production.....	189, 249	Industrial disputes act.....	115
Conrad, William M. (cut).....	452	Copper producers' lift.....	115
Congress.....	135	Mining and conservation.....	116
Conservation.....	39, 56	Organized labor.....	116
Conservation of iron.....	335	The Survey and preparedness.....	116
Coombes, E. Russell (cut).....	458	A western opportunity.....	117
Cooperation in West.....	439	Metal mine accidents.....	117
Copper committee.....	196	Alaska coal.....	117
mine strikes.....	441	Price regulations.....	118
price fixed.....	346	John W. Crawford.....	119
producers report.....	383	Western action.....	119
production, 1916.....	15	Cooperation.....	120
purchases.....	160	Preparedness.....	120
Corvallis station.....	94	Twentieth anniversary.....	181
"Cost of coal".....	54, 60, 76	State and Federal revenues.....	182
Cost sheets.....	420	Cooperation in the mining industry.....	183
Council of national defense.....	205, 347, 467	"The food situation".....	184
Crosby, Geo. H. (cut).....	424	Preaching and practice.....	184
Current federal legislation.....	265, 317	Cooperative coal company.....	185
Curry, J. E. (cut).....	460	Loyal service expected.....	185
Cyanide expert called.....	382	The coal board.....	186
Cyanide.....	281	The business outlook.....	186
		Labor situation.....	261
D		Slackers.....	261
Darton, N. H. (cut).....	89	Coal situation.....	261
Dern, John (cut).....	422	Give business a chance.....	261
DeWolf, Frank W. (cut).....	319	Government pool.....	262
Douglas, Dr. James, retires.....	121	Treason.....	262

Death of high grading.....	262
Oil flotation monopoly.....	263
Alaskan coal.....	264
Government price fixing.....	229
The business of government.....	229
California oil claimants.....	229
Gold production.....	231
Wealth distribution.....	232
